

THIRD WEEK OF The Times-Dispatch Contest

FOR Schoolroom Decoration

A growing interest in the subject of Classic Art and in the project of Decorating the Schools of Richmond, Manchester, and Henrico County.

The Times-Dispatch, realizing the value and importance of school decoration, adopted in October the plan of giving collections of casts to the schools of Richmond, Manchester, and Henrico County, the schools to receive them to be decided upon by means of a contest as originated by Miss Gertrude L. Brinkhaus, under whose supervision the work is being done in Richmond. Every one is invited to call at the Contest Office, Room 8, Times-Dispatch Building, to view the exhibition of casts and to receive suggestions and aid in the competition.

The interest of the pupils and general public in Classic Art is shown by the many who call at the Contest Office to see Collection No. 1 exhibited there. The office is always open from three to six P. M., and all day Saturdays.

All the reproductions of sculpture to be given to the schools will come from the studio of P. P. Caproni & Brother, of Boston, whose casts are considered by experts the standard of excellence. Many are of heroic size, and all are exact copies.
